Our students are the lifeline of the institution and Mahapurusha Srimanta Sankaradeva Viswavidyalaya (MSSV) is poised to provide the best of resources that support their academic journey and personal wellbeing. MSSV occupies our special place in the heart of the people of this sylvan land, striving continuously to give wings to the students' dreams.

MSSV stands apart in witnessing fruitful introduction of new courses in each new session. I am delighted to announce that we are introducing 10 (ten) different programmes in the 2023-24 session with integrated M.Sc.-Ph.D. in two disciplines— Bioinformatics and Cancer Biology and M.Com.-Ph.D. in Commerce. The university is also promoting programmes as M.Sc. IT in Machine Learning & Big Data Analytics, B.Sc. IT in Digital Forensic & Cyber Security and B.A. in Public Administration & Governance. The programmes are mentored by specialized subject experts of distinct repute. The university aims at providing value added education based on humanistic ideals and spiritual wisdom of Mahapurusha Srimanta Sankaradeva. I believe the new programmes will be highly beneficial in curating an efficient community of students skilled to confront the challenges, explore, engage and empower themselves. MSSV curriculum is based on NEP-2020 and the latest demands of international standards. The university looks forward to the introduction of dual degree provision too from the current session.

We dream to become a world class institution of higher education focusing on relevant, dynamic and flexible learning systems for holistic development of the society and beyond. I wish a bright and successful journey to all the students who choose MSSV to turn their dreams into reality.

I welcome you all to MSSV!

About the University

Mahapurusha Srimanta Sankaradeva Viswavidyalaya was formally founded on 10th June, 2014 with 3 constituent Units in Guwahati, Dhubri & Jorhat. Since 2014, the University has been trying to impart value oriented education with humanistic insight in diverse fields of study so that the students can develop themselves to be professionally efficient, socially committed, intellectually competent and morally strong citizens. The University is founded on the sociological ideals of sharing and caring propounded and propagated by Srimanta Sankaradeva a leading personality of Vaishnavite movement in medieval India. Mahapurusha Srimanta Sankaradeva Viswavidyalaya offers undergraduate, post-graduate and research programmes ranging from B.A. to Ph.D. along with Diploma and Certificate programmes in some subjects. Mahapurusha Srimanta Sankaradeva Viswavidyalaya, Nagaon in its first academic session (2014-15) established the Departments of Assamese, Computer Application, Education, Sankaradeva Studies and Sociology. At present the University is enriched with 18 (eighteen) departments. This is the only University in North-East India to have a unique programme i.e. M.Sc./Ph.D. in Cancer Biology to cope with the challenges of cancer in this part of the country. The University is planning to introduce few new departments to offer new programmes. MSSV has also introduced short term, certificate and diploma courses on Palliative Care Social Work, Yoga and other soft skills.

To carry out its mission of quality research work, the University has already launched a Centre for North East Studies which is solely dedicated to scholastic and research based works on unexplored aspects of this crucial geo-political region of the world. It has been resolved that this University would try its best to highlight North East as its focal academic area and the centre is one of these attempts to turn the vision into a reality. The Centre aims to initiate authentic research on the cultural diversity, unique traditions, traditional knowledge system and socio- political happenings of the regions in the form of academic symposia, seminars, publications, workshops, field studies to name a few. The University publishes a biannual research journal, a university magazine, departmental magazines, newsletters and occasional papers by the faculty members of the University. The Central Library of the University has almost twenty thousand books along with a good number of research journals, periodicals and newspapers. The library also provides e-resources through the resources of National Digital Library. Keeping in mind the social responsibility to be fulfilled by a higher educational institution, the University is in the process of adopting villages in the district of Nagaon, for promoting it as a model village.

Govt. of Assam has provided 100 acres of land to establish a permanent campus at Raidongia, Nagaon. Further, the government has given financial support to ensure value based education.

সংগীত

ক'লা মেঘৰ বুকু ফালি সূৰ্য উদয় হ'ল
অজ্ঞানতাৰ এন্ধাৰ ৰাতি নীৰৱে আঁতৰি গ'ল
অসম দেশত সু-প্ৰভাতৰ পোহৰ সিঁচিলে কোনে ?
শ্ৰীমন্ত শঙ্কৰে, গুৰু শ্ৰীমন্ত শঙ্কৰে।
সেই পোহৰত নতুন প্ৰাণত দীপ্ত আশা ফুলে
শিক্ষা আৰু প্ৰগতিৰে মণিকূট উজ্জ্বলে
মহাজীৱনৰ মহাবাগীয়ে মনৰ ক্লান্তি হৰে।
শ্ৰীমন্ত শঙ্কৰে, গুৰু শ্ৰীমন্ত শঙ্কৰে।
জ্ঞান আৰু বিজ্ঞানেৰে বিশ্বমুখী বাট
শান্তি মৈত্ৰী সংস্কৃতিৰে শীতল ছায়া তাত।
বিশ্বজয়ৰ সপোন-সূৰ্যই জীৱন পোহৰ কৰে।
শ্ৰীমন্ত শঙ্কৰে, গুৰু শ্ৰীমন্ত শঙ্কৰে।
গুৰু শ্ৰীমন্ত শঙ্কৰে।
গুৰু শ্ৰীমন্ত শঙ্কৰে।
